

# CITTÀ

## Point Modular Floor Lamp

---

### Product Information Document

The Point floor lamp is the result of a collaboration between product designer Alex Buckman and Città's 3D design team, David Moreland and Nikolai Sorensen.

The unique lamp makes a statement with its spherical hand-blown glass shade and pared-back aesthetic. The lamp emits an ambient light from the grey or amber shade. The steel column has an integrated switch at the top allowing you to dim the light.

## Specifications

- Integrated 2 W 2700k LED light source
- Lumen rating: 45 LM
- Cable Length: 59 in.
- Plug: Yayao LED driver, Model #YM12WO350PEU
- In Line Switch: Yayao constant current dimmer, Model #YM24VRD350A
- On/Off floor switch attached from base
- 3 year warranty
- LED has a 50,000 hour expected lifespan
- Not IP rated for bathroom or wet area use
- When assembling the light, please ensure it is not plugged in or turned on
- To connect the pole to the base, rotate the thread clockwise until the pole sits flush with the base
- Place the glass shade on the collar, then wind on the threaded top cap until it is flush with the glass
- There might be a small amount of movement in the glass once complete. This is intentional for movement if bumped
